

## **.FTR TLD REGISTRATION POLICY**

This domain name registration policy sets out the terms and conditions governing the registration and use of domain names in the .FTR TLD. This policy may be updated periodically, without prior notice, and changes will take effect on upon posting at nic.FTR.

### **1. ELIGIBILITY**

Only Frontier Communications Corporation and its Affiliates (as defined in, and in accordance with the Registry Agreement where applicable) are eligible to register a Domain Name under the .FTR TLD in accordance with the Registry Rules set forth herein.

Registry reserves the right, for any reason, to verify .FTR domain name registration eligibility at the time of initial registration, and thereafter, including through request and inspection of appropriate documentation to verify registration eligibility. If the Registrant ceases to be eligible at any time in the future, the Registry may revoke, cancel or suspend the Domain Name registration immediately, or take any other action it deems necessary.

The registration of Domain Names must be approved by an authorized person(s) as nominated by the Registry in addition to meeting all requirements under these Registry Rules.

### **2. REQUIRED CRITERIA FOR DOMAIN NAME REGISTRATION**

An application for Domain Name registration must meet all of the following criteria:

- (i) Availability
  - a. the Domain Name is not already registered.
- (ii) Technical requirements
  - a. a maximum of 63 characters (after its conversion into the ASCII for IDNs);
  - b. use of characters selected from the list of supported characters as nominated by the Registry; and
  - c. any additional technical requirements as required by the Registry from time to time.
- (iii) Compliance with all requirements under these Registry Rules including eligibility for registration.

### **3. OBLIGATION OF REGISTRANTS**

By submitting a request to register a .FTR domain name, or by asking Registry to maintain or renew a .FTR domain name, the Registrant agrees to be bound by the terms and conditions set forth in these Registry Rules. The Registrant's exclusive remedy in case of any disagreement with the terms of these Registry Rules is to cancel the .FTR domain name registration.

The Registrant must also agree to be bound by the minimum requirements in clause 3.7.7 of 2013 ICANN Registrar Accreditation Agreement as amended from time to time ("2013 ICANN RAA").

The Registrant represents and warrants that:

- (i) it meets, and will continue to meet, all eligibility criteria set forth by the Registry at all times and must notify the Registry if it ceases to meet such criteria;
- (ii) the registration, renewal and use of the Domain Name does not violate any third party intellectual property rights, applicable laws or regulation;
- (iii) the registration and use of the Domain Name is made in good faith and for a lawful purpose;
- (iv) it owns or otherwise has the right to provide all registration data (including personal information) for each Domain Name registered and provision of such registration data complies with all applicable data protection laws and regulations; and
- (v) It has appropriate consent and licenses to allow for publication of registration data in the WHOIS database.

#### **4. REGISTRANT CONTACT INFORMATION**

The Registrant must provide complete and accurate contact information (in accordance with 2013 ICANN RAA), including but not limited to the following:

- (i) the name of a company or organization (or full name of the Registrant if the Registrant is a natural person);
- (ii) a registered office and principal place of business (or address of the Registrant if the Registrant is a natural person); and
- (iii) contact details of the Registrant including e-mail address and telephone number.

All Registrant contact information must be complete and accurate. Any changes to such Registrant information must be promptly provided to the applicable Registrar, and no later than one (1) month of such change.

#### **5. REVOCATION OF DOMAIN NAMES**

The Registrant acknowledges that the Registry may revoke, cancel, or suspend a Domain Name immediately at its sole discretion:

- (i) in the event the Registrant breaches any Registry Rules;
- (ii) to comply with applicable law, court order, government rule or under any dispute resolution processes;
- (iii) where such Domain Name is used for any of the following prohibited activities:
  - a. spamming;
  - b. intellectual property and privacy violations;
  - c. obscene speech or materials;
  - d. defamatory or abusive language;
  - e. forging headers, return addresses and internet protocol addresses;
  - f. illegal or unauthorized access to other computers or networks;
  - g. distribution of internet viruses, worms, Trojan horses or other destructive

- activities; and
- h. any other illegal, inappropriate, or prohibited activities as determined by the Registry.
- (iv) in order to protect the integrity and stability of the domain name system and the Registry;
- (v) to comply with the Registry Agreement or other ICANN policies;
- (vi) where such Domain Name is designated by ICANN or Registry for non-allocation or activation; and
- (vii) where Registrant fails to make an applicable payment for registration, renewal or any other relevant services.

Registry has established an abuse point of contact (registryabuse@ftr.com) for handling complaints or concerns related to any such conduct, which shall also include investigation of and a response to any reports from law enforcement and governmental and quasi-governmental agencies of illegal conduct in connection with the use of a .FTR Domain Name.

## **6. USE OF SECOND OR THIRD LEVEL IDNS**

In addition to meeting all required criteria for registration of domain names above, an application for an IDN Domain Name must:

- (i) comply with any additional Registry policy on IDNs for each language;
- (ii) meet all technical requirement for the applicable IDN;
- (iii) comply with the IDN tables used by the Registry as amended from time to time; and
- (iv) meet any other additional technical requirements as required by the Registry.

## **7. USE OF GEOGRAPHIC NAMES**

All two-character labels and country and territory names will be initially reserved in accordance with specification 5 of the Registry Agreement. Upon approval from ICANN and any other guidelines by applicable governments and ICANN's Governmental Advisory Committee, the Registry may release the two-character labels and country and territory names.

## **8. RESERVED NAMES**

In accordance with Article 2.6 of the Registry Agreement, Registry may from time to time establish or modify its reserve list policy and may place certain names in its reserved list where:

- (i) the Registry believes in its sole discretion that use of such names may pose a risk to the operational stability or integrity of the Registry;
- (ii) in accordance with ICANN's specifications contained in the Registry Agreement, guidelines or recommendations;
- (iii) there is a risk of trademark infringement or where the name otherwise may cause confusion taking into consideration the mission and purpose of the TLD; or
- (iv) the Registry in its sole discretion decides certain names to be reserved for any

reason.

Registry may subsequently allocate such reserved names in accordance with Specification 5 of the Registry Agreement.

## **9. ALLOCATION OF DOMAIN NAME**

The Registry will register Domain Names to eligible applicants on a first-come, first-served basis in accordance with the terms and conditions set forth in these Registry Rules. The Registry will not provide pre-registration or reservation of Domain Names.

## **10. TERM OF REGISTRATION / RENEWAL**

### Initial term of registration:

A Domain Name can be registered for a period between one (1) to ten (10) years.

### Renewal of registration:

The term may be extended at any time for a period between one (1) to ten (10) years, provided that the total aggregate term of the Domain Name does not exceed ten (10) years at any time.

### Cancellation of registration:

The Registrant may cancel a Domain Name registration at any time by submitting its request in writing with the Registrar.

### Auto-renewal:

Upon expiry of the Domain Name, the Registry will auto-renew the Domain Name for a one year term (1) year term unless the Registrant submits its intention not to renew the Domain Name.

## **11. TRANSFER OF DOMAIN NAMES BETWEEN REGISTRANTS**

Any transfer of a Domain Name between Registrants must be approved by the Registry.

## **12. PRIVACY AND DATA PROTECTION**

By registering a Domain Name, the registrant authorizes the Registry to process personal information and other data required for the operation of the TLD. The Registry will only use the data for the operation of the Registry including but not limited to its internal use, communication with the Registrant or the Registrar, and provision of WHOIS look-up facility.

The Registry may only transfer registration data to third parties:

- (i) with the Registrant's consent;

- (ii) in order to comply with laws, regulations or orders by a competent public authority and any Alternative Dispute Resolution (ADR) providers; or
- (iii) for a publicly available and searchable WHOIS look-up facility, in accordance with specification 4 of the Registry Agreement.

### **13. WHOIS**

The Registry provides a publicly available and searchable WHOIS look up facility, where information about the Domain Name's status (including creation and expiry dates), and registrant, administrative and the technical contact administering the Domain Name can be found, in accordance with specification 4 of the Registry Agreement.

In order to prevent misuse of the WHOIS look up facility, the Registry requires that any person submitting a WHOIS database query will be required to read and agree to the terms and conditions, which will provide that:

- (i) the WHOIS database is provided for information purposes only;
- (ii) the user agrees not to use the WHOIS information to allow or enable the transmission of unsolicited commercial advertising or other communication via email or other methods to the Registrants; and
- (iii) Registry may implement additional WHOIS abuse mitigation tools as set forth in the Registry Agreement.

### **14. DISPUTE RESOLUTION**

The Registrant agrees to be bound by ICANN's Dispute Resolution Policies, and any other dispute resolution policies promulgated by Registry, in respect of all disputes in connection with a .FTR Domain Name.

### **15. COMPLIANCE WITH CONSENSUS AND TEMPORARY POLICIES**

The Registrant agrees to be bound by all applicable consensus and temporary policies as required and mandated by ICANN.

### **16. LIMITATION OF LIABILITY / INDEMNITY**

Under no circumstances shall Registry be liable to any Registrant, whether arising from breach of contract, misrepresentation (whether tortious or statutory), tort (including but not limited to negligence), breach of statutory duty, or otherwise, for any loss of profits, business, contracts, anticipated savings, goodwill, or revenue, any wasted expenditure, or any loss or corruption of data (regardless of whether any of these types of loss or damage are direct, indirect or consequential), or any indirect or consequential loss or damage whatsoever arising under or in relation to a .FTR Domain Name, even if Registry was aware of the possibility that such loss or damage might be incurred.

Registrants agree to indemnify and keep Registry and its respective Affiliates, officers, directors, advisers, agents, employees, successors and assigns indemnified at all times from and against any and all losses that are suffered by, or are brought or threatened against, the Registry and its respective Affiliates, officers, directors, advisers, agents, employees, successors and assigns as the case may be, arising out of or in connection with

use of a .FTR Domain Name, breach of these Registry Rules; or any claim relating to the infringement of a third party's intellectual property rights through registration or use of a .FTR Domain Name.
